

## ENERGY SECURITY FOR THE 21ST CENTURY

Sydney Convention & Exhibition Centre, Darling Harbour

14 - 17 September 2008

Co-hosted by the NSW and ACT branches of PESA

The third Eastern Australasian Basins Symposium (EABS III) will focus on a theme of Energy Security for the 21st Century. Plenary speakers will address topics including climate change, carbon capture and storage, the role of clean energy sources (gas & geothermal), discoveries and exploration trends in established basins, frontier regions and government initiatives in onshore and offshore basins. For the first time, the Cooper Basin Symposium and the Queensland Symposium will be held in conjunction with EABS III. Student submissions are strongly encouraged.
